

## Consent Form

### As part of your healthcare:

Fiona Mealing of The Nutrition Detective may share your sensitive information with third parties to support your ongoing healthcare. If we do not receive this consent from you, we will not be able to coordinate your healthcare with that provided by other providers which means the healthcare provided by us may be less effective.

Please tick the appropriate boxes to confirm your consent:

- I consent to my sensitive information being shared with other healthcare providers i.e supplement companies and laboratories, whose details I have provided generally this is name, address and date of birth.
- I consent to my sensitive information being shared with Fiona's administrator for the purposes of filing, ordering tests, confirmation emails etc., (they will have signed a confidentiality agreement)
- I consent to my sensitive information being shared with my GP if appropriate

You can withdraw your consent to the above at any time by emailing: [admin@thenutritiondetective.co.uk](mailto:admin@thenutritiondetective.co.uk)

### Marketing and information

Fiona Mealing of The Nutrition Detective would like to contact you occasionally by email with promotional offers, information on upcoming events and activities, and newsletters.

Please tick the appropriate box to confirm your consent to be contacted for these purposes:

- I would like to receive bi-annual to quarterly newsletters
- I would like to receive promotional offers and information on upcoming events and activities

You can withdraw your consent to the above communications at any time by clicking on the unsubscribe link at the bottom of the emails.

### Case Histories

Fiona Mealing of The Nutrition Detective seeks to continuously improve her practice through professional development, a key part of which is sharing case histories with her peers through clinical supervision, online forums and discussion groups. Your name, address contact details and date of birth will never be shared.

If you are happy for us to use your data for this purpose, please tick the box below to confirm your consent:

- I consent to my data being used for the purpose of professional development:

Fiona Mealing of The Nutrition Detective would like to share your case history with peers for educational purposes. This could be through conferences, lectures, online forums, and publishing in medical journals, trade magazines or online professional sites. Your name, address, contact details and date of birth will never be shared.

I consent to my data being used for educational purposes. Please tick the appropriate box to confirm your consent:
